Please do NOT fill this form in on behalf of another person.

If you have any questions, please contact us at: alspac-project@bris.ac.uk or on 0117 33 10010.

1

Taking part in Children of the 90s

Children of the 90s (University of Bristol) would like to keep your contact details and a record of your involvement in the study. We will use these to invite you to take part in future Children of the 90s research.

I agree to Children of the 90s (University of Bristol) keeping a record of my contact and a record of my involvement details for this purpose.

- I AGREE
 I do NOT agree

2

'Data Linkage' to access your official records

Children of the 90s would like to collect information about you that is stored in your official records. Your records will be used in Children of the 90s research. We will collect your records on a regular basis into the future, unless you tell us to stop. The records (and where they are held) are listed below.

Page 17 of our information booklet explains 'data linkage', how we protect your confidentiality and how your records could help us with our research.

I understand that my details such as name, gender, date of birth, address, NHS number, education number and National Insurance number being used to make an accurate link to my official records listed below.

(See page 20 for more information)

Health Records

(See pages 24-25 for more information)

I agree to my healthcare provider and/or doctor (General Practitioner) being informed of my involvement in Children of the 90s.

and

I authorise my healthcare provider and/or doctor (General Practitioner) to provide my health records to Children of the 90s (University of Bristol).

and

I understand that information held by the NHS, National Health Service databases, and records maintained by The NHS Information Centre and the NHS Central Register may be used to help contact me and provide information about my health status.

and

If you do not return this consent form Children of the 90s have been given approval to extract parts of your health records and retain this information for use in research.

(see pages 24-25 of the information booklet for more information)

- I AGREE
 I do NOT agree
