* **At Standard Level the Analysis and Approaches course is required. At Higher Level either the Analysis and Approaches or Applications and Interpretations course is required.**

† We want to attract the very best students and know that our contextual offer entrants thrive here, achieving above average academically. Our contextual offer is a grade reduction of up to two grades below the standard entry requirements, made to applicants from under-represented groups. Contextual offers are shown in brackets next to each entry requirement in the course listings. Find out more about eligibility at **bristol.ac.uk/contextual-offers**

This is an indicative guide of our 2024/25 course structures.
