## It's all part of the package...

Our knowledge, experience and venue management skills will ensure your event objectives are achieved.

Your Event Coordinator will manage the following:

- Prompt response to your enquiry with venue recommendations. A comprehensive quote with an offer of a site visit. Our in-depth knowledge of event management means you can rely on us to make your event a success.
- Liaison and completion of paperwork for all hired-in services with our suppliers, event scheduling advice and recommendations, marketing and promotional guidance.
- On the day, our friendly and enthusiastic event management and support team will ensure that every element of your event runs smoothly.
- When it comes to invoices, you will only liaise with your Event Coordinator; we will manage the rest on your behalf.

## The School of Chemistry

---

The School of Chemistry is one of the largest in the United Kingdom and an internationally recognised centre of excellence. Situated on the University precinct it makes a practical and flexible venue for lectures and conferences. The Chemistry building houses four lecture theatres with audio visual and computing equipment and can accommodate large conferences and seminars. The largest lecture theatre has a capacity of 333.

### Lecture Theatres and Foyer

With a wide range of lecture theatres and meeting rooms the Chemistry Building can host a variety of events. The Foyer is the perfect space for guests to mingle and network, it can be used for Exhibitions, poster boards, catering and drinks receptions. With its large windows, giving access onto the courtyard the Foyer is light and bright with a retro 70's feel.

# Maps, directions and parking

School of Chemistry, Cantock's Close, Bristol, BS8 1TS

## Car Parking:

There is limited pay-and-display street parking around the School of Chemistry on nearby University Road and Woodland Road. There is also a long stay NCP car park nearby on Trenchard Street. For further information, please visit: [www.bristol.gov.uk/parking/trenchard-street-long-stay-car-park](http://www.bristol.gov.uk/parking/trenchard-street-long-stay-car-park).

To find your nearest electric car charging facilities, please visit: [www.zap-map.com/live/](http://www.zap-map.com/live/).

## Park & Ride:

Park and Ride services allow you to park without difficulty on the outskirts of the city. A bus transports you to the city centre. For further information please visit: [www.travelwest.info/parkandride](http://www.travelwest.info/parkandride).

## By Taxi:

V Cars: +44 (0)117 925 2626  
[www.v-cars.com/locations/bristol](http://www.v-cars.com/locations/bristol)

## By Train:

Bristol Temple Meads is the closest main train station, 1.2 miles and a 25-minute walk away from the venue. Alternatively, you can use local buses or an e-scooter to transport you to the venue.

## By Local Bus:

Several bus services stop a short walk away from the School of Chemistry:

- Services 1, 2, 2a, 8 and 72 all run from Temple Meads train station, services 3 and 4 run from the city centre. Alight at Park Street Top
- Service U1 operates term-time only and runs from Stoke Bishop. Alight at Cantock's Close.

Timetables for all these services are available at: [www.firstgroup.com/bristol-bath-and-west](http://www.firstgroup.com/bristol-bath-and-west).

## By Bike

There are racks available for locking up your bike at the bottom of Cantock's Close. More can be found outside 1-9 Old Park Hill.

## By E-scooter:

Voi e-scooters operate in the Bristol area and are a great way to get around the city. The nearest parking spot is located on Woodland Road. You will need the app on your phone and a driving licence to use them: [www.voi.com](http://www.voi.com).

## Other Transport:

Please visit the following website for further information on other ways to travel to the university: <http://www.bristol.ac.uk/maps/directions/>.
