Admissions criteria

Academic requirements

To be considered for admission to this programme, applicants are required to hold/achieve a minimum of a professional social work qualification (or equivalent) and current registration with the Health and Care Professions Council www.hcpc-uk.co.uk (or equivalent elsewhere in the UK). An honours degree (or equivalent qualification demonstrated through experience in the field), and a demonstrable ability to study at postgraduate level.

As part of the application, you will be asked to submit a personal statement of 550-700 words (300-500 words for those undertaking individual 'credit only' units).

As this is a practice-focused programme, students are required to be in professional social work practice in the

UK in some capacity throughout their time on the programme.

For information on international equivalent qualifications, please see our [International Office website](#).

English language requirements for non-native English speakers

For applicants whose first language is not English, and whose full undergraduate degree was not taught in an English-speaking country, it is necessary to hold/achieve a minimum score in an approved English language test as specified in Profile B of the [University's English Language Requirements Policy](#).

Applicants do not need to have reached the required level of English language before applying. If necessary, English language will be included as a condition of offer.

Applicants have the option to undertake one of the University's Pre-sessional English courses. You can find information about the University of Bristol's Pre-Sessional English courses at the [Centre for English Language and Foundation Studies website](#).

Applicants should make every effort to choose the correct programme in the application form by reading the prospectus entry and admissions statements fully. Applicants should [contact the relevant Admissions Team](#) if clarification is required.

Documents required

The required documents for this programme are listed below. Applications may not be considered until all required documents have been uploaded to the application form.

They must include the referee's full contact details, i.e. postal address, telephone number and organisation email address. A [reference template](#) is available to show the required format.
References supplied with a personal contact email address will not be accepted unless under exceptional circumstances, which must be explained within the reference. All references must be dated within the last two years.

Selection process

Assessment of applications

All applications are considered in accordance with the [University's policy on equality and diversity](#). The University of Bristol upholds the principles of equality and diversity, respect and dignity. Candidates are not discriminated against on the grounds of race, ethnicity, nationality, gender, sexuality, religion or belief, disability, health or age.

Once a complete application has been submitted with all required supporting documents, it is considered by the admissions tutors.

Interviews

Interviews do not normally form part of the selection process. However, it may be deemed necessary to interview applicants with non-standard qualifications or who have additional skills and experience to be considered as part of the application process.

The purpose of the interview is to assess whether the applicant currently has the necessary skills and capabilities to pursue the chosen postgraduate programme, and whether the programme is appropriate to the applicant's interests and aspirations.

If required, interviewees based overseas will normally be interviewed by telephone or Skype.

All interviews are conducted by two members of staff, at least one of whom is trained in fair and effective recruitment techniques. All interviews are undertaken in accordance with the University's policy on equal opportunities.

Non-standard applications

We welcome applications from those with non-standard qualifications who can demonstrate knowledge, experience and skills developed in the workplace, or elsewhere, relevant to the programme of study. Please use your personal statement to provide further details.

Non-standard applications will be considered by the Admissions Tutor(s) for the programme on a case by case basis.

Decisions

Notification of decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission, this will be stated in the offer letter.

Offers

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to successful applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, successful applicants will receive a conditional offer outlining the requirements that must be met.

If an applicant is not selected to receive an offer for the course to which they have originally applied, we may offer the opportunity to be considered for an alternative programme in a related subject area. In such cases applicants will receive an email notification providing any alternative course options and asking whether they wish to be considered for these. It may be necessary for applicants to submit additional documentation in order for the application to be fully considered for an alternative programme. Details of the documentation required can be found in the [admissions statement](#) for the relevant programme.

Deferrals

Deferred entry is available for this programme, subject to agreement by the relevant Admissions Team. Please contact the admissions team by emailing sps-pgadmissions@bristol.ac.uk if you would like to request to defer your start date.
