Admissions cycle

This Admissions Statement applies to applications submitted for entry to the programme between 1st October 2017 and 31st September 2018

Application deadline

Details of application deadlines for this programme are displayed on the individual programme page within the [University course finder](#).

Admissions criteria

Academic requirements

To be considered for admission to this programme, applicants are required to hold/achieve a minimum of a high honours degree from a social sciences or law discipline, and a master's qualification (or equivalent) with appropriate research training.

For information on international equivalent qualifications, please see our [International Office website](#).

English language requirements for non-native English speakers

For applicants whose first language is not English, and whose full undergraduate degree was not taught in an English-speaking country, it is necessary to hold/achieve a minimum score in an approved English language test as specified in Profile B of the [University's English Language Requirements Policy](#).

Applicants do not need to have reached the required level of English language before applying. If necessary,

English language will be included as a condition of offer.

Applicants have the option to undertake one of the University's Pre-sessional English courses. You can find information about the University of Bristol's Pre-Sessional English courses at the [Centre for English Language and Foundation Studies website](#).

Additional requirements

There are no additional requirements for this programme.

Application process

Online application form

Applicants should complete the online application form, uploading all [required documents](#) directly into the application form. Guidance on uploading documents can be found in the [How to Apply FAQs](#). Any paper documents received by post, or electronic documents received by email, will not be considered except in exceptional circumstances.

Applicants should make every effort to choose the correct programme in the application form by reading the prospectus entry and admissions statements fully. Applicants should [contact the relevant Admissions Team](#) if clarification is required.

Documents required

The required documents for this programme are listed below. Applications may not be considered until all required documents have been uploaded to the application form.

Applicants who have already submitted an application can upload additional documents into the 'Post-submission uploads' section of the application form. Information about how to upload documents to an application form can be found in our [How to Apply FAQs](#).

Required documents for this programme are:

- **Two academic references (minimum):** References should be submitted electronically by the referee, using the online reference form. Alternatively, scanned copies of the original reference document(s) can be uploaded by the applicant.
If you graduated more than five years ago, or if professional experience is relevant to the application, professional references will be accepted in lieu of one academic reference. At least one referee should be familiar with the applicant's academic work. References must be written, signed and dated on official letter headed paper from the referee's organisation. They must include the referee's full contact details, i.e. postal address, telephone number and organisation email address. A [reference template](#) is available to show the required format. References supplied with a personal contact email address will not be accepted unless under exceptional circumstances, which must be explained within the reference. All references must be dated within the last two years.
- **Degree certificate(s)** from first and subsequent degrees. We require colour scans of original documents and certified translations of documents issued in any language other than English.
- **Academic transcripts** from first and subsequent degrees. We require colour scans of original documents and certified translations of documents issued in any language other than English. Transcripts must list all subjects taken and grades achieved to date, with the grade scale clearly displayed in the transcript. Applicants must clearly state their current average grade in the online application form.
- **Research Statement:** The primary requirement for the research statement is to define and situate your research within an academic/disciplinary context. You should remember that people in the academic community are the primary audience/readership for postgraduate research. This means that you will need to identify:

1. The research questions or problems that you intend to address;
 2. The research context for your project/programme of work;
 3. The methods you think you will use to pursue the key questions.
- **Personal statement:** Personal statements should highlight the motivation for applying for the course, and any relevant experience and/or skills.

In your statement you should describe the reasons for your choice of postgraduate programme and why this is important to you. Please also explain why you are applying to University of Bristol, why you think you are a suitable candidate for your programme of study, and how your choice of programme fits with your future career plans.

- **English language certificates** are required from applicants for whom English is not the native language and whose full undergraduate degree was not taught in an English-speaking country (please see the [English Language Requirements](#) for a list of English-speaking countries)

Optional documents for this programme are:

- **Curriculum Vitae (CV):** A CV is not required but can help an application. CVs might include details of other relevant qualifications to support an application. Please do not include any school (pre-university) certificates, unless otherwise specified above.
- **Additional References:** Applicants are welcome to upload additional references to further support an application. Professional references from work experience in a related field and/or industrial placements can help an application.
- **Research Training Statement:** A Research Training Statement is not required, but applicants are welcome to provide details of any training requirements to support their postgraduate studies. If there are no training requirements this section can be left blank.

Correspondence with applicants

Applicants will normally receive communication via email to the email address used to set up the application form account. Applicants should ensure the profile email address is kept up-to-date.

Selection process

Assessment of applications

All applications are considered in accordance with the [University's policy on equality and diversity](#). The University of Bristol upholds the principles of equality and diversity, respect and dignity. Candidates are not discriminated against on the grounds of race, ethnicity, nationality, gender, sexuality, religion or belief, disability, health or age.

Once a complete application has been submitted with all required supporting documents, it is considered by the SWDTP pathway lead and the school's director of graduate study. Applications are considered against selection criteria, which include: academic achievement, academic references and statement of research interest.

Interviews

Following the initial application assessment, PhD applicants will be invited to attend an interview in person, by Skype or over the phone before a decision is made. Applicants for SWDTP-funded places will be interviewed by a panel of academics from each institution.

The purpose of the interview is to assess whether the applicant currently has the necessary skills and capabilities to pursue the chosen postgraduate programme, and whether the programme is appropriate to the applicant's interests and aspirations.

If required, interviewees based overseas will normally be interviewed by telephone or Skype.

All interviews are conducted by two members of staff, at least one of whom is trained in fair and effective recruitment techniques. All interviews are undertaken in accordance with the University's policy on equal opportunities.

Non-standard applications

We welcome applications from those with non-standard qualifications who can demonstrate knowledge, experience and skills developed in the workplace, or elsewhere, relevant to the programme of study. Please use your personal statement to provide further details.

Non-standard applications will be considered by the Admissions Tutor(s) for the programme on a case by case basis.

Decisions

Notification of decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission, this will be stated in the offer letter.

Offers

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to successful applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, successful applicants will receive a conditional offer outlining the requirements that must be met.

If an applicant is not selected to receive an offer for the course to which they have originally applied, we may offer the opportunity to be considered for an alternative programme in a related subject area. In such cases applicants will receive an email notification providing any alternative course options and asking whether they wish to be considered for these. It may be necessary for applicants to submit additional documentation in order for the application to be fully considered for an alternative programme. Details of the documentation required can be found in the [admissions statement](#) for the relevant programme.

Deferrals

Deferred entry is available for this programme, subject to agreement by the relevant Admissions Team. Please contact the admissions team by emailing law-pg-admissions@bristol.ac.uk if you would like to request to defer your start date.

If you are a funded student then deferral may not be possible. Please contact the admissions team to enquire law-pg-admissions@bristol.ac.uk.

Additional information

Extenuating Circumstances

If your education has been significantly disrupted through health or personal problems, disability or specific difficulties within your studies you can submit an [extenuating circumstances](#) form as part of your application.

The information provided on the form will be treated confidentially, and will help us to fairly assess your academic performance in light of your circumstances.

ATAS

An ATAS certificate is not required for this programme.

Deposits

Deposits are not required for this programme.

Visa

International students coming to the UK to study full-time must apply for a student visa. [Tier 4 student visa guidance notes](#) are available on the University website.

Sponsored Students

Sponsored students are not required to pay the deposit but will need to upload a copy of their sponsorship letter using the 'Post Submission Uploads' section of the online application. Sponsored students will also need to complete and upload the [sponsorship authorisation form](#).

Version 1.0 Created 8/9/2017	
Version 1.2 Updated 10/10/2017	Professional reference requirement extended from two to five years after graduation.
