Admissions cycle

This Admissions Statement applies to applications submitted for entry to the programme between 1st October 2018 and 31st September 2019.

Application deadline

Details of application deadlines for this programme are displayed on the individual programme page within the <u>University course finder</u>.

Admissions criteria

Academic requirements

Applicants must hold/achieve a minimum of an upper second-class honours degree (or equivalent qualification) in a relevant subject.

For information on international equivalent qualifications, please refer to our International Office website.

English language requirements for non-native English speakers

Applicants whose first language is not English, and whose full undergraduate degree was not taught in an

Version: 1.0 Date: 1 September 2018 Page 1 of 6

English-speaking country, must hold/achieve a minimum score in an approved English language test as specified in Profile E of the <u>University's English Language Requirements Policy</u>.

You do not need to have reached the required level of English language before submitting an application. If necessary, English language will be included as a condition of offer.

There is an option to take one of the University's Pre-sessional English courses; details are available on the Centre for English Language and Foundation Studies website.

Additional requirements

There are no additional requirements for this programme.

Application process

Online application form

Applicants should complete the online application form, uploading all required documents directly. Guidance on uploading documents can be found in the <u>guidance for online applications</u>. Paper documents received by post, or electronic documents received by email, are only considered in exceptional circumstances.

Before applying, make sure you choose the right programme by reading the prospectus entry and Admissions Statement fully. If you need clarification, please <u>contact the relevant admissions team</u>.

Applications may not be considered until all required documents have been uploaded. If you have already submitted an application, you can upload additional documents into the 'Post-submission uploads' section of the application form.

Documents required

Required documents for this programme are:

- Two academic references (minimum). References should be submitted electronically by the referee, using the online reference form. Alternatively, scanned copies of the original reference document(s) can be uploaded by the applicant.
 - If you graduated more than two years ago, or if professional experience is relevant to your application, a professional reference will be accepted in lieu of one academic reference. At least one referee should be familiar with your academic work. References must be written, signed and dated on official letter-headed paper from the referee's organisation, and must include full referee contact details, as shown in the <u>reference template</u>. References supplied with a personal contact email address are only accepted in exceptional circumstances, which must be explained within the reference. All references must be dated within the last two years.
- **Degree certificate(s)** from first and subsequent degrees. We require colour scans of original documents and certified translations of documents issued in any language other than English.
- Academic transcripts from first and subsequent degrees. We require colour scans of original
 documents and certified translations of documents issued in any language other than English.
 Transcripts must list all subjects taken and grades achieved to date, with the grade scale clearly
 displayed in the transcript. Applicants must clearly state their current average grade in the online
 application form.
- Research statement. You should use the research statement to define and situate your research within an academic/disciplinary context. With due regard for the primary audience/readership for postgraduate research (that is, the academic community), you should identify the following:
 - 1. The research questions or problems that you intend to address
 - 2. The research context for your project/programme of work
 - 3. The methods you intend to use to pursue the key questions

Version: 1.0 Date: 1 September 2018 Page 2 of 6

Research statements are not required from candidates responding to an advertisement that already includes a project description.

- **Personal statement.** The personal statement should highlight your motivation for applying for the course, any relevant experience and/or skills, and your future goals.
- Evidence of English language is required from all students whose native language is not English, in
 accordance with the English requirement for the programme. A colour scan of the original document
 or certificate is required.
- **Curriculum Vitae (CV):** CVs might include details of other relevant work experience and qualifications to support an application. Please do not include any school (pre-university) certificates, unless otherwise specified above.

Optional documents

 Research training statement. Applicants are welcome to provide details of any training requirements to support their postgraduate studies.

Correspondence with applicants

Applicants will normally receive communication via email to the email address used to set up the application form account. Applicants should ensure the profile email address is kept up-to-date.

Selection process

Assessment of applications

All applicants are considered on an equal basis in line with the <u>University's Equality and Diversity Policy</u>.

Once a complete application has been submitted with all required supporting documents, it is considered by the intended supervisor(s) and an internal committee comprising several members of staff. Decisions are made on the basis of all the available information, including the written application, references, and interview performance if applicable.

Applicants who have undertaken a transnational education partnership programme or top-up degree and meet the minimum academic requirements will not automatically receive an offer. In these cases, admissions decisions are based on the applicant's academic history alongside relevance of degree, and, if necessary, degree content and performance in key modules.

Applicants are considered holistically on their own merit and in competition with the rest of the applicant cohort during that academic cycle.

Interviews

Candidates may be invited to attend an interview lasting approximately 20 minutes. Interviewees are assessed on their academic achievement, research potential, fit to the project and strength of references, as well as their interview performance.

Interviewees based overseas are usually interviewed by telephone or Skype.

Interviews are normally conducted by two members of staff, at least one of whom is trained in fair and effective recruitment techniques. All interviews are undertaken in accordance with the <u>University's Equality</u> and <u>Diversity Policy</u>.

Decisions

Notification of decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of

Version: 1.0 Date: 1 September 2018 Page 3 of 6

admission, this will be stated in the offer letter.

Offers

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to successful applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, successful applicants will receive a conditional offer outlining the requirements that must be met.

If an applicant is not selected to receive an offer for the course to which they have originally applied, we may offer the opportunity to be considered for an alternative programme in a related subject area. In such cases applicants will receive an email notification providing any alternative course options and asking whether they wish to be considered for these. It may be necessary for applicants to submit additional documentation in order for the application to be fully considered for an alternative programme. Details of the documentation required can be found in the <u>admissions statement</u> for the relevant programme.

Deferrals

Deferred is available for this programme, subject to agreement by the relevant Admissions Team. Please contact the admissions team by emailing geog-pgadmis@bristol.ac.uk if you would like to request to defer your start date.

Additional information

Extenuating Circumstances

If your education has been significantly disrupted through health or personal problems, disability or specific difficulties within your studies you can submit an <u>extenuating circumstances</u> form as part of your application.

The information provided on the form will be treated confidentially and will help us to fairly assess your academic performance in light of your circumstances.

ATAS

Applicants who require a visa to study in the UK must first gain clearance through the Academic Technology Approval Scheme (ATAS). Please visit the <u>ATAS page</u> on the Foreign and Commonwealth Office website for further information.

Deposits

There is no deposit required for this programme.

Visa

International students coming to the UK to study full-time must apply for a student visa. <u>Tier 4 student visa</u> <u>guidance notes</u> are available on the University website.

Sponsored Students

Sponsored students must upload a copy of their sponsorship letter in the 'Post-submission uploads' section of the online application, and must also complete and upload the sponsorship authorisation form.
