Why choose Bristol?

Lucy Collins, Head of Widening Participation and UG Recruitment

A distinguished heritage

- Founded in 1876
- The first higher education institution in England to accept women on an equal status to men
- Nine Nobel Laureates
- 31 Fellows of the Royal Society and nine Fellows of the British Academy

A few firsts...

- First university Department of Drama
- Discovery of the first virus proved to cause cancer
- Innovation of 3G technology
- Pioneered 'beating heart' surgery
- Stem cell breakthrough

Investing in our students

- Redevelopment of the Queens Road Building
- New Natural Sciences Building
- Centre for Nanoscience
- Refurbishment and new Halls of Residence
- Student Hub

Outstanding teaching and learning

- Research intensive
- Student centred learning
- Assessment and feedback
- Centres for excellence – Applied and Integrated Medical Sciences and Chemistry

A supportive University

- Guaranteed accommodation
- NHS GP surgery on site
- Pastoral support
- Awarded 'secured environment' status

The perfect location

- Eighth largest city in the UK
- A green city
- 'Centre of Culture' and a 'Science City'
- A festival city
- Britain's most musical city in 2010

Stand out from the crowd

- Bristol graduates are highly sought after
- Bristol PLuS awards
- Supporting enterprise
- 81% of students awarded a First or 2:1

Our student community

- 17,695 full time students
- 3,600 international students from 120 countries
- A Bristol community
