

Past symposia

Research in Progress meeting: 9th April 2014; University of Bristol.

Infection and Immunity Away Day: 10th January 2014; University of Bristol. "Infection and immunity in public health".

South West and South Wales Microbiology Symposium: 12th September 2013; University of Bath. We are grateful to the following sponsors who helped make the meeting possible:

- Society for Applied Microbiology
- Eurofins MWG Operon
- Fisher Scientific
- Sarstedt
- BMG Labtech
- VWR

Infection and Immunity half-day symposium: 20th March 2013; University of Bristol. "Infection and Inflammation in the CNS". We are grateful to the following sponsors who helped make the meeting possible:

- British Society for Immunology

South Wales and South West Microbiology Forum / All Wales Microbiology Meeting: 13-14th September 2012; Swansea University. We are grateful to the following sponsors who helped make the meeting possible:

- MITReG
- Society for General Microbiology
- ERDF
- Beacon
- Eurofins MWG Operon
- Labtech.com
- Qiagen
- VWR
- Sartorius
- Source BioScience LifeSciences
- Fisher Scientific
- Promega

Half-day symposium: 4th July 2012; University of the West of England. We are grateful to the following sponsors who helped make the meeting possible:

- iNets South West Biomedical
- UWE Centre for Research in Biosciences

Imaging in Infection and Immunity Research symposium: 18th April 2012; University of Bristol, School of Medical Sciences. We are grateful to the following sponsors who helped make the meeting possible:

- FEI
- Leica
- RMS
- British Society for Immunology

Infection and Immunity Away Day: 13th January 2012; Graduate School of Education, Berkeley Square, Bristol.

Half-day symposium: 7th December 2011; University of Bristol, School of Medical Sciences. We are grateful to the following sponsors who helped make the meeting possible:

- VWR
- Eurofins MWG Operon

Half-day symposium: 8th December 2010; University of Bristol, School of Veterinary Sciences, Langford. We are grateful to the following sponsors who helped make this meeting possible:

- Promega
- Thermo Fisher Scientific
- BMG Labtech
- Labtech.com
- LabM
- Eurofins MWG Operon

Half-day symposium: 22nd April 2009; University of Bristol, School of Veterinary Sciences, Langford. We are grateful to the following sponsors who helped make this meeting possible:

- Fisher Scientific
- Thermofisher/Oxoid
- Promega: Iain Ronald (iain.ronald@promega.com)
- Qiagen: Sarah Jewell (sarah.jewell@qiagen.com)
- Merck Chemicals Ltd.: Stephanie Mou (stephanie.mou@merckbio.eu)

Host-Pathogen Interactions South-West Regional Meeting: 16th September 2008; University of Bristol, Queen's Building, University Walk. Sponsors for this meeting included:

- Institute for Advanced Studies, University of Bristol
- Society for Applied Microbiology (SfAM)
- Society for General Microbiology (SGM)

Half-day symposium: 9th April 2008; University of Bristol Dental School. We are grateful to the following sponsors who helped make this meeting possible:

- Qiagen: Sarah Jewell (sarah.jewell@qiagen.com)
- Promega: Iain Ronald (iain.ronald@promega.com)

Half-day symposium: 19th December 2007; University of the West of England. We are grateful to the following sponsor who helped make this meeting possible:

- BMG Labtech

Half-day symposium: 13th September 2007; University of Bristol, School of Medical Sciences. We are grateful to the following sponsors who helped make the meeting possible:

- Qiagen: Kathryn Brennan (kathryn.brennan@qiagen.com)
- Fisher Scientific: Juliane Wunsch (Juliane.Wunsch@thermofisher.com)
- Stratech: Siân Bolitho (sian@stratech.co.uk)
- GRI: Imran Tahir (Imrant@gri.co.uk)

Half-day symposium: 28th June 2007; University of Bristol, School of Veterinary Sciences, Langford. We are grateful to the following sponsors who helped make the meeting possible:

- Qiagen: Kathryn Brennan (kathryn.brennan@qiagen.com)
- Fisher Scientific: Juliane Wunsch (Juliane.Wunsch@thermofisher.com)
- Stratech: Siân Bolitho (sian@stratech.co.uk)
- GRI: Imran Tahir (Imrant@gri.co.uk)
