Alan: You can tell when Dafydd fancies someone because he starts cross-dressing.

Alan: You could be a toenail pimp.

Alan: When it comes to bestiality I'm pansexual.

Katherine (To Alan): You're like Mr Incredible. I'm not being complimentary, it's just the only way I can describe it.

Dafydd: All female ringers are dogs.

Alan: I don't have enough bollocks

Alan: I may not be a big bloke but I can push quite hard.

Clifton and Epsom – are they in a straight line?

- **Stephen Rowley**

It's alright 'till they start bringing up the coffee granules.

- **Natalie Harvey**

Sorry I'm late! (At 8.55pm on a practice night...better late than never)

- **Thomas Paul**

Christmas Party 2002

I can only tell by feeling. (how romantic!)

- **Zoe Roberts**

I've never done anything with ducks.

- **Jenny**

I found a shop in Bath the first time I visited. It took me six months to find it again, and that was WITH directions.

- **Natalie Harvey**

I screwed it there

- **Adam Beaumont**

Pudding Evening 2002

It actually tastes quite nice! (referring to Phil's pudding)

- **Katherine Fulcher**

- **Colin Lee**

Just use your fingers

- **Philip Pratt**

There's people getting very friendly over here.

- **Zoe Roberts**

I'm all sticky

- **Stephen Webber**

Colin. It tastes very nice; I've had a mouthful. (ditto)

- **Nicola Hibbert**

I'm not getting it out, just checking to see if it's hard yet. (ditto)
- **Stephen Rowley**

How did they record it? With a double-sided mirror or something?
- **Thomas Paul**

NUA Weekend 2002

Unlike Eric, who is not called Thomas at all.
- **Iain Scott**

You've got to pull the tassels.
- **Nicola Hibbert**

You could do it with multiple people if we all lay down.
- **Thomas Paul**

You can't do babies.
- **Thomas Paul**

I was sobered up by a bloke out there.
- **Katherine Fulcher**

I like this sort of thing, you don't have to know people's names or anything. You just get on with it.
- **Natalie Harvey**

You can if you stand by the Ladies' toilet.
- **Katherine Fulcher**

You are all too stupid to know what I am talking about.
- **Stephen Rowley**

SUA Weekend 2002

The stage is further away from the ground and it is higher up. (far too stupid, evidently)
- **Stephen Rowley**

She burns matches – what kind of freak is she? (ditto)
- **Stephen Rowley**

How do I eat the Vienetta? (ditto)
- **Stephen Rowley**

Bloody hell, that must be a big one! (everything's relative Colin!)
- **Colin Lee**

We used to have a high bed, but then we chopped the legs off so it isn't high any more.
- **Rose Ogle**

Pre-Term Outing 2002

Iain's always quick.

- **Rose Ogle**

Knock 'em down what? (referring to skittles at Long Buckby – apparently)

- **Iain Scott**

I've seen people who aren't blokes coming out of there! (the toilets at the King's Arms)

- **Iain Scott**

Junction 15a of the M1 is being refurbished.

- **Rose Ogle**

What? Are they changing the colour of the cushions?

- **Nicola Hibbert**

...and then you rang me up!

- **Iain Scott**

NO, you rang me up, YOU PRATT!

- **Stephen Rowley**

They're up. (at this point Adam demonstrates that the bells are in fact not 'up')

- **Iain Scott**

Up my arse!

- **Adam Beaumont**

Joint Exeter Tour 2002

I don't know why you have to stop at red traffic lights because there's never any cars (as he said this a mini crossed in front of the car)

- **Iain Scott**

I don't watch television – I'm at Bristol! (Television is for lesser mortals)

- **Zoe Roberts**

Let's go for a walk and look for some dead birds. (?)

- **Rose Ogle**

I've just realised...I'm not...Iain! (And from then on Stephen found that life was actually quite a good thing...)

- **Stephen Rowley**

Have I told you this before? I don't know if I've told you this before but...

- **Colin Lee**

Yes.

Good.

Indeed.

Right.

Super.

- **Iain Scott**

When I was at Nottingham...

- **Colin Lee**

Do you not get bored of telling us about Nottingham Colin?

- **Nicola Hibbert**

I'm only 23!

- **Adam Beaumont**

Mmmm? Mmmm...Mmmmmm!

- **Iain Scott**

It's Monday today!

It's Tuesday today!

It's Wednesday today!

It's Thursday today!

It's Friday today!

It's Saturday today!

It's Sunday today!

- **Iain Scott**

- **Stephen Rowley**

Where's the Quote Book?

- **Everyone**
