

Sustainable landscapes for the future

18 July 2013, 9.30 am – 5.30 pm

This one day conference will bring together different sectors of the landscape industry on the subject of **sustainable landscape research, design, and management** leading to future research ideas and opportunities. This event is aimed at landscape architects, landscape planners, academic researchers, industry researchers, environmental practitioners (local councils, charities), anyone with an interest in the sustainable management of landscapes. Registration costs £85, booking details available online bristol.ac.uk/cabot/events/2013/298.html
