### Take time out

The **Woodland Walk** is a lovely route when you need to take a break. And walking is good for creative thinking and sharpening the senses, so get away from that desk when you can!

**Have a picnic** in the landscaped garden at Langford House. Getting outdoors in daylight can lift your mood and sharing food with friends is a good way to relax.

### unwind

Taking regular breaks can improve your focus and memory and just 20 minutes in nature will lower your stress hormone levels.

 **Meditation** can be an important tool to improve wellbeing. The Multifaith Chaplaincy has all kinds of meditation groups you can join.

### Be kind

 **A Memorial stone** at the southern end of the lawn commemorates Sidney Hill's first cow Crummy. Once the owner of Langford House, Sidney Hill loved animals and was nicknamed 'Mr Greatheart' for his generosity to the poor. **Bristol Paws Project** was set up by veterinary students to help people from disadvantaged backgrounds look after their pets. Check out the Bristol SU page to get involved.

 **Volunteering** can help expand your social network and reduce stress and depression. There are all kinds of opportunities on the Students' Union website.

### Be happy

 Take a **Science of Happiness** unit in your first year and explore the latest research in psychological science about how to be happier, less stressed and how to flourish.

### Take notice

The **wild garden** is bustling with life, encouraged by bird boxes, hedgehog houses and log piles all over the site. Connecting to the natural world is important for our wellbeing.

The **Glasshouse** was built by the same manufacturers that supplied Queen Victoria. Today only one glasshouse remains of the many that provided all the bedding and house plants for the estate.

### Get inspired

Desert stone of the Triassic period was used to build the local church, St Mary the Virgin. In the interior walls you can see small stones that fell from the hills to the desert floor around 200 million years ago!

 Discover things to see and do in the city on the official **Visit Bristol** site.
