

Bristol Big Give

‘What to give where’

Please recycle as much as possible when you are moving out. The Bristol Heart Foundation (BHF) will have recycling bins around campus and in nearby residential areas. Bristol Waste will be providing large bins for extra waste that cannot be recycled.

If you are moving from your house and have a lot of items to dispose of, and you have access to transport, you can take your items to a Recycling Centre: [Recycling centres - Bristol Waste Company](#) for free and without booking in May and June- but you must take your Student ID.

If you have space at your property you can also hire a big bin: [Bin hire for students and landlords - Bristol Waste Company](#)

- [Emmaus Bristol](#)

Bristol Waste provides guidelines on booking private waste removal companies: [How to get rid of bulky waste in Bristol - Bristol Waste Company](#)

Items that cannot be recycled:

If there are items that you cannot recycle (eg clothes hangers, used duvets and pillows) these need to be disposed of as general waste.

Please plan ahead so you do not have too much waste for your black wheelie bins. Leaving waste next to your wheelie bins is fly tipping. You can be fined up to £400 by the Council.

If you have access to transport you will be able to take any additional waste, along with your recycling, to a Reuse & Recycling Centre: [Recycling centres - Bristol Waste Company](#) for free. If you take your Student ID card during May and June you do not need to book.
