

Welcome, students from Thailand

Founded in 1876, the University of Bristol has a global reputation for high-quality education and research.

Wide-ranging expertise

The University offers around 600 undergraduate and postgraduate degrees across a wide range of subjects.

An international community

Bristol is home to over 30,000 undergraduates and postgraduates. Over 33% of our students come from outside the UK.

We have around 200 students from Thailand currently studying here, and would love for you to join us.

A diverse city

Bristol is a friendly, vibrant place with a distinctive culture and rich history. Our multicultural city is home to people from more than 185 countries, speaking 90 languages. There is a range of shops and restaurants where Thai and other Southeast Asian food is available.

A world of opportunities

You can celebrate cultural events, share experiences and connect with students from around the world at Bristol's Global Lounge.

Societies are another great way to meet like-minded friends and share your culture with others. Our 350+ student clubs include Thai Society, Asian Society, Muay Thai Society and many more.

Bristol Students' Union runs regular events, starting from Welcome Week, for you to find friends and build your community.

Inspirational alumni

Our international alumni network includes around 1,100 graduates in Thailand. Past Bristol students are employed at organisations including NECTEC, PwC, the Royal Thai Government, the Royal Thai Embassy, The Bank of Thailand, Honda, NESDC, the United Nations, the British Council, Museum of Contemporary Art Bangkok and World Bank.

'I chose Bristol because of the feel of the city. The city centre and parks are so close to each other, so you get the best of both worlds. Through the Thai Society, I have got to know many new people, helping me settle in.'
