

WHO ARE WE

The University of Bristol Law Clinic provides legal advice and support to members of the public, under the supervision of Law School staff members. The Law Clinic gives students first-hand experience of law in practice: students will work on real cases and be responsible for all areas of case management. This includes conducting the case research, liaising with clients and even going to a court or tribunal. Our partnership with international firm Osborne Clarke provides students with training and guidance from legal professionals, enabling students to work confidently and professionally to ensure our clients receive the advice and support that they need.

WHAT ARE WE LOOKING FOR

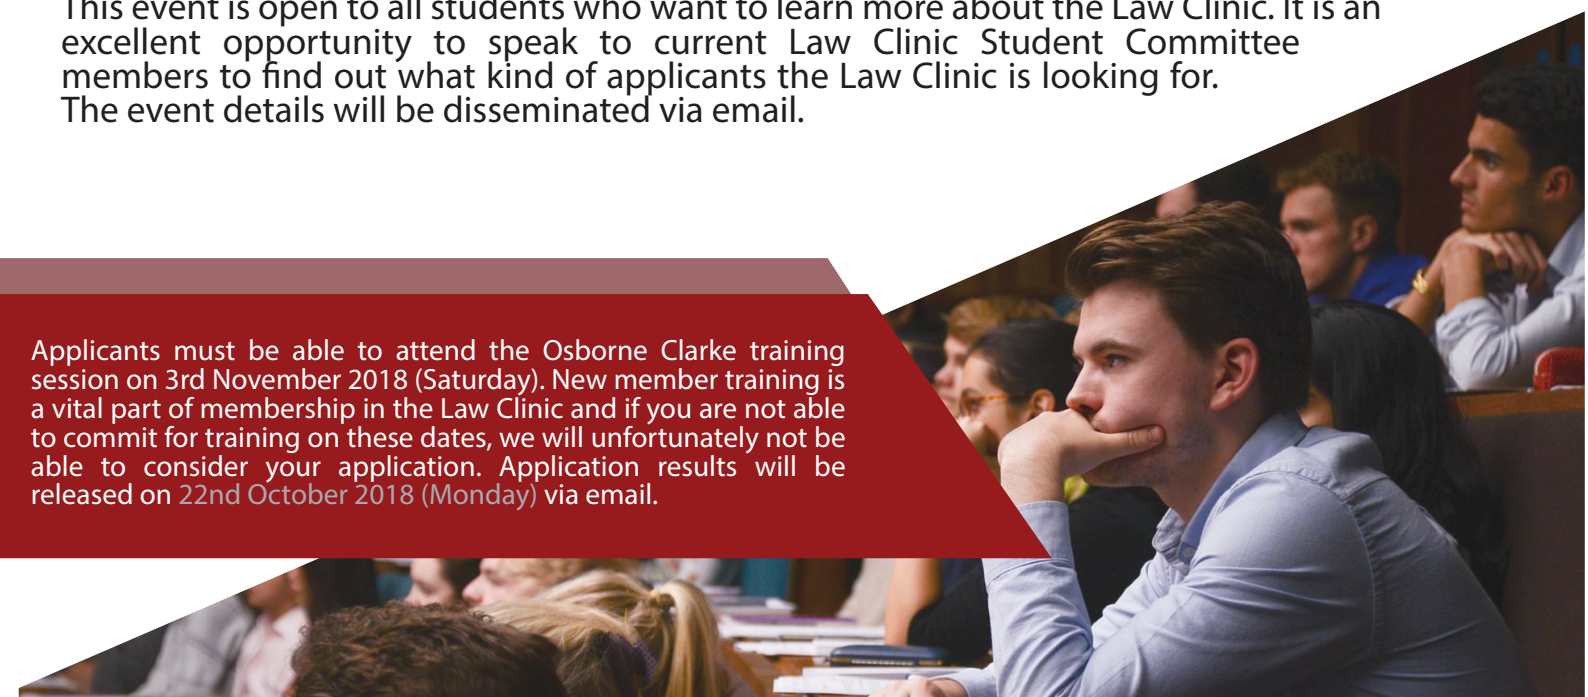

We are looking for students with a real interest in gaining practical legal experience and who have the drive and organisation to manage Law Clinic alongside their studies and other considerations. Being a member of the Law Clinic is an enjoyable and rewarding role, but one that comes with responsibilities. Students need to have a professional and mature approach to all aspects of Law Clinic membership to ensure that cases are dealt with correctly, often under tight time constraints. Legal work experience is not required: we are more interested in your motivation for wanting to be part of a pro bono organisation, and what qualities, skills and experience you would bring to the Law Clinic.

HOW TO APPLY

If you are interested in applying for the Law Clinic, please fill in the application form that will be emailed to all Law Students on **1st October 2018**. The deadline for submission is **12th October 2018 at 12 pm**. Please submit your applications in **HARD COPY** (electronic copies will NOT be accepted) to the Undergraduate Office (Room 2.14) on the second floor of the Wills Memorial Building.

LAUNCH NIGHT (5 OCTOBER 2018)

This event is open to all students who want to learn more about the Law Clinic. It is an excellent opportunity to speak to current Law Clinic Student Committee members to find out what kind of applicants the Law Clinic is looking for. The event details will be disseminated via email.

Applicants must be able to attend the Osborne Clarke training session on 3rd November 2018 (Saturday).
