The Wellcome Trust Open Access Policy

You're ready to publish your Wellcome Trust Funded Research

Search the Plan S Journal Checker to see what Open Access routes are available to you.

No Compliant Option → Check with Library Research Services, but you may need to choose a different journal to publish in.

Transformative Journal

Fully Open Access Journal

Transformative Agreement

Self-Archiving using Rights Retention

Arrange payment of any Open Access fees through the library

Save the reply from the library as it will include payment instructions

Submit to the journal, and include the following statement in your submission, your cover letter, and the Funding Acknowledgement section of your research:

"This research was funded in whole, or in part, by the Wellcome Trust [Grant number]. For the purpose of Open Access, the author has applied a CC BY public copyright licence to any Author Accepted Manuscript version arising from this submission."

If the Publisher asks what licence you want, select CC-BY unless you have secured permission from Wellcome for CC-BY-NC

If the publisher asks you for payment, contact the library for help or, if you already arranged payment of fees through the library, follow the instructions in the email the library sent you

Once accepted for publication, add a record to Pure

Follow Europe PubMed Central's instructions to add the accepted manuscript to EPMC with no embargo and a CC-BY Licence

Submit to the journal, and include the following statement in your submission, your cover letter, and the Funding Acknowledgement section of your research:

"This research was funded in whole, or in part, by the Wellcome Trust [Grant number]. For the purpose of Open Access, the author has applied a CC BY public copyright licence to any Author Accepted Manuscript version arising from this submission."

During Peer Review, keep a copy of every new draft, to ensure you have a copy of your Author's Accepted Manuscript

Upload your Author's Accepted Manuscript to Pure

Your work is now Open Access and compliant with the Wellcome Trust Open Access Policy
