

How to participate in @GPJournalClub

- 🐦 Try a course at Twitteriversity, for novices to experts:
<http://wecommunities.org/resources/twitteriversity>
- 🐦 New to Twitter journal-clubbing? Lurk, favourite, retweet or comment – it's fast, fun and furious!
- 🐦 Read the article! It's posted on the website a couple of weeks before the date with the questions for the chat (#Q1, #Q2 etc.).
- 🐦 Introduce yourself at the beginning: tell the group who you are and what you do.
- 🐦 Chats last an hour. The discussion can be fast. Using a tool to help you organise and filter tweets can help keep track of the activity. Examples are Tweepchat, Hootsuite or Tweetdeck.
- 🐦 Go back and look at your notifications afterwards – it is easy to miss messages and comments as tweets fly by fast.
- 🐦 Always use the #gpjc or your tweets won't show up!
