

Printing Paper Weights

Available Paper Stock

Copylife 80gsm (FSC Accredited)

85% recycled pulp (post-consumer office waste paper) with very good whiteness. Used for Black & White printing.

Silk, Pro Design - from 90gsm to 350gsm (FSC Accredited)

Provides sharper contrast with colour printing. Smooth, high white paper with slight sheen.

Matt, Evolution Digital Uncoated - from 90gsm to 300gsm (FSC Accredited)

Good surface to annotate after printing. Smooth matt appearance. High white uncoated paper.
