

Postgraduate Admissions Statement for PhD Dynamic Molecular Cell Biology (Wellcome Trust)

This Admissions Statement applies to applications submitted for entry to the programme between 1 October 2023 and 30 September 2024.

It should be read in association with the [University Admissions Principles and Procedures](#) for Postgraduate programmes, the relevant [prospectus entry](#) and general [application guidance](#).

Admissions criteria

Academic and English language requirements

The academic and English language requirements for this programme are displayed on the [Postgraduate Prospectus](#)

For information on international equivalent qualifications, please refer to our [International Office website](#).

Non-standard applications

We welcome applications from those with non-standard qualifications who can demonstrate knowledge, experience and skills developed in the workplace, or elsewhere, relevant to the programme of study. Please use your personal statement to provide further details.

Non-standard applications will be considered by the Admissions Tutor(s) for the programme on a case by case basis.

Application process

Online application form

Applicants should complete the online application form, uploading all required documents directly. Further information is available on our [guidance for online applications page](#)

Applications will not be considered until **all** required documents have been uploaded.

Required and optional documents

References: Required

We require two academic references. References should comply with our standard requirements outlined on [our guidance pages](#).

Degree certificate(s) and academic transcripts: Required

From first and subsequent degrees. Degree certificates and transcripts should comply with our standard requirements outlined on [our guidance pages](#).

Personal statement: Required

The personal statement should include your reasons for choosing this programme, and details of how your previous education and experience qualifies you to undertake research in your chosen area.

English language certificates/other evidence: Required

Evidence of meeting the English language profile as stated on the [Postgraduate Prospectus](#) and specified by the [University English Language Requirements Policy](#)

Curriculum Vitae (CV): Required

CVs might include details of other relevant qualifications to support an application. Please do not include any school (pre-university) certificates, unless specified above.

Additional references: Optional

Applicants are welcome to upload additional references from work experience in a related field and/or industrial placements to support their application.

Selection process

Assessment of applications

All applicants are considered in line with the University's [Admissions Principles and Procedures Policy](#). Once a complete application has been submitted with all required supporting documents, it is considered by at least two members of staff using the following criteria:

- Academic achievement
- English language proficiency (where applicable)
- Academic references
- personal statement
- Skills training and prior research experience
- Availability of appropriate supervision

Interviews

Interviews form part of the selection process. Interviewees will be asked to make a short presentation on a piece of research they have conducted. This will form the basis of subsequent discussions. Further information will be provided in advance of the interview. Interviews are used to assess whether the applicant has the necessary skills and capabilities to pursue their chosen programme, and whether the programme is appropriate to their interests and aspirations. Interviewees based overseas are normally interviewed online by Zoom or Teams. All interviews are undertaken in accordance with the University's Equality and Diversity Policy.

Note that applicants will be required to complete an online supplementary questionnaire; instructions about how to do so will follow by email shortly after the application deadline.

Decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission or pay a deposit, this will be stated in the offer letter.

Offers

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, applicants will receive a conditional offer outlining the requirements that must be met.

Deferrals

Deferrals are not permitted for this programme. Applicants are encouraged to re-submit their application for consideration the following year.

Additional information

Extenuating circumstances

If your education has been significantly disrupted through health or personal problems, disability or specific difficulties within your studies, you can submit an [extenuating circumstances](#) form as part of your application.

The information provided will be treated confidentially and will help us to assess your academic performance fairly considering your circumstances.

Academic Technology Approval Scheme (ATAS)
