For information on international equivalent qualifications, please refer to our [International Office website](#).

### Non-standard applications

We welcome applications from those with non-standard qualifications who can demonstrate knowledge, experience and skills developed in the workplace, or elsewhere, relevant to the programme of study. Please use your personal statement to provide further details.

Non-standard applications will be considered by the Admissions Tutor(s) for the programme on a case by case basis.

## Application process

### Online application form

Applicants should complete the online application form, uploading all required documents directly. Further information is available on our [guidance for online applications page](#)

Applications will not be considered until **all** required documents have been uploaded.

### Required and optional documents

#### References: Required

One academic reference will be required as part of the application process. Professional references may be accepted if you graduated more than two years ago, or if professional experience is relevant to the application.

References should comply with our standard requirements outlined on [our guidance pages](#).

#### Degree certificate(s) and academic transcripts: Required

From first and subsequent degrees. Degree certificates and transcripts should comply with our standard requirements outlined on [our guidance pages](#).

**Personal Statement: Optional**

Personal statements are not required for this programme as they do not form part of the routine application assessment process. However, where an applicant is slightly below the typical entry requirements we may use the personal statement, if provided, to look for additional context and detail about relevant work experience and achievements. Applicants are therefore welcome to submit a personal statement, as an additional document, to support their application if they wish to do so.

**English language certificates/other evidence: Required**

All applicants are required to have reached the required profile level of English language as specified by the [University's English Language Requirements Policy](#)

**Curriculum Vitae (CV): Required**

CVs might include details of other relevant work experience and qualifications to support an application.

**Letter of support: Required**

We require a supporting letter from your employer (this can be from your line manager or the organisation). The purpose of the supporting letter is to confirm that your organisation will support you implementing a Quality Improvement project within your organisation. This is vital as the project counts towards 40 of the 60 assessment credits for the programme.

## Selection process

**Assessment of applications**

All applicants are considered in line with the University's [Admissions Principles and Procedures Policy](#) Once a complete application has been submitted with all required supporting documents, it is considered by at least two members of staff using the following criteria:

- Performance in undergraduate degree
- English language ability (where applicable)
- References
- Personal statement
- Letter of support from organisation/line manager supporting potential implementation of a change project.

**Interviews**

Interviews do not form part of the selection process.

**Decisions**

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission or pay a deposit, this will be stated in the offer letter.

**Results Deadline**

Applicants who receive a conditional offer will be required to submit all final results to meet their offer conditions by the date noted in their offer letter. Offer holders who are unable to provide their final results by this date should email [choosebristol-pg@bristol.ac.uk](mailto:choosebristol-pg@bristol.ac.uk) to notify the team as soon as possible.

## Offers

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, applicants will receive a conditional offer outlining the requirements that must be met.
