

University of  
**BRISTOL** Postgraduate Admissions Statement for

# PhD Technology Enhanced Chemical Synthesis

This Admissions Statement applies to applications submitted for entry to the programme between 18 September 2024 and 17 September 2025.

It should be read in association with the [University Admissions Principles and Procedures](#) for Postgraduate programmes, the relevant [prospectus entry](#) and general [application guidance](#).

## Admissions criteria

### Academic and English language requirements

The academic and English language requirements for this programme are displayed on the [Postgraduate Prospectus](#).

For information on international equivalent qualifications, please refer to our [International Office website](#).

### Non-standard applications

We welcome applications from those with non-standard qualifications who can demonstrate knowledge, experience and skills developed in the workplace, or elsewhere, relevant to the programme of study. Please use your personal statement to provide further details.

Non-standard applications will be considered by the Admissions Tutor(s) for the programme on a case by case basis.

## Application process

### Online application form

Applicants should complete the online application form, uploading all required documents directly. Further information is available on our [guidance for online applications page](#).

Applications will not be considered until **all** required documents have been uploaded.

### Required and optional documents

#### References: Required

We require two academic references. References should comply with our standard requirements outlined on [our guidance pages](#).

#### Degree certificate(s) and academic transcripts: Required

From first and subsequent degrees. Degree certificates and transcripts should comply with our standard requirements outlined on [our guidance pages](#).

#### Personal statement: Required

Personal statements should highlight the motivation for applying for the course, and any relevant experience and/or skills.

**English language certificates/other evidence: Required**

Evidence of meeting the English language profile as stated on the [Postgraduate Prospectus](#) and specified by the [University English Language Requirements Policy](#).

**Curriculum Vitae (CV): Required**

CVs might include details of other relevant work experience and qualifications to support an application.

**Optional Documents****Research Training Statements: Optional**

Applicants are welcome to provide details of any relevant qualifications or training required to assist with their application.

**Research Statement: Optional**

Key to the CDT route is project selection during TATE (our training element). However, you can use this section to let us know your research interests.

**Selection process****Assessment of applications**

All applicants are considered in line with the University's [Admissions Principles and Procedures Policy](#). Once a complete application has been submitted with all required supporting documents, it is considered by the EPSRC Centre for Doctoral Training in Technology Enhanced Chemical Synthesis admissions team using the following criteria:

- performance in undergraduate degree
- English language ability (where applicable)
- references
- personal statement

**Interviews**

Interviews form part of the selection process.

The purpose of the interview is to assess whether the applicant has the necessary skills and capabilities to pursue the chosen postgraduate programme, and whether the programme is appropriate to the applicant's interests and aspirations. Applicants are assessed on the basis of their academic achievement, understanding of research and self-motivation.

Interviewees based overseas will normally be interviewed by Zoom.

**Decisions**

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission or pay a deposit, this will be stated in the offer letter.

**Offers**

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, applicants will receive a conditional offer outlining the requirements that must be met.

If an applicant is not selected to receive an offer for the course to which they have originally applied, we may offer the opportunity to be considered for an alternative programme in a related subject area. In such cases applicants will receive an email notification providing any alternative course options and asking whether they wish to be considered for these. It may be necessary for applicants to submit additional documentation in order for the application to be fully considered for an alternative programme. Details of the documentation required can be found in the admissions statement for the relevant programme.

### **Results deadline**

Applicants who receive a conditional offer will be required to submit all final results to meet their offer conditions by the start date. Offer holders who will be unable to provide their final results by this date should email [bcs-cdt@bristol.ac.uk](mailto:bcs-cdt@bristol.ac.uk) to notify the admissions team as soon as possible.

### **Deferrals**

Deferrals are not permitted for this programme. Applicants are encouraged to re-submit their application for consideration the following year. Please contact [bcs-cdt@bristol.ac.uk](mailto:bcs-cdt@bristol.ac.uk) for further information.

## **Additional information**

### **Extenuating circumstances**

If your education has been significantly disrupted through health or personal problems, disability or specific difficulties within your studies, you can submit an [extenuating circumstances](#) form as part of your application.

The information provided will be treated confidentially and will help us to assess your academic performance fairly considering your circumstances.

### **Academic Technology Approval Scheme (ATAS)**

Applicants who will require a visa to study in the UK will also be required to gain clearance through the [Academic Technology Approval Scheme](#) (ATAS). The Academic Technology Approval Scheme is a clearance process which affects overseas applicants (outside the EEA and Switzerland) for certain postgraduate science, technology, medical and engineering studies in the UK. Applicants to affected programmes are required to obtain an ATAS certificate before applying for a visa.

### **Visa**

International students coming to the UK to study full-time may need to apply for a student visa. [Student visa guidance notes](#) are available on the University website.

## **Fees and Deposits**

### **Fees**

Annual tuition fees are available on the relevant [prospectus entry](#) for this programme.

### **Deposits**

Deposits are not required for this programme.

### **Sponsored Students**

Sponsored students will need to upload a copy of their sponsorship letter using the 'Post Submission Uploads' section of the online application.
